

Buildings Protector

Use an expert to protect your property

When you buy a home, you have to plan for the future. With the right insurance, you can rest easy no matter what happens, knowing that your home is covered. **ooba** gives you the power to protect your home with comprehensive and affordable insurance solutions.

Reasons why you need a Buildings Protector

- Covers the bricks and mortar, including fixtures and fittings, protecting you from the cost of damage to the structure of your home.
- The cover includes protection against damage from fire, flood, lightning and other unforeseen events.
- We provide total cover on geysers including bursting, wear and tear and resultant damage.
- Competitively priced with low excess options and many additional benefits automatically.
- Protects your biggest asset from serious and extremely costly damage.
- Our cover is accepted by all the banks so it will not delay your bond registration.

Important: Mandatory requirement for securing a home loan

Contact an ooba insurance expert for Buildings Protector and you can relax knowing that your home is protected.
