

Protect your family's future with a Will

There are many ways to look after your family. Having a Will is one important way you can ensure that they are looked after even if the unthinkable happens.

At oobainsure, we offer you a **FREE and easy** to use service to draft your Will. A qualified financial consultant will answer all your questions and help you draft a Will that not only takes care of your family but your most valuable assets as well.

We work in partnership with Capital Legacy the #1 Wills & Estates Specialists in South Africa, so you can rest assured that your legacy will be well protected.

How does it work?

1 Meet with a qualified financial consultant from Capital Legacy so we can understand what you need to protect and take care of.

2 Capital Legacy's expert team will draft your FREE Will to take care of your family and most valuable assets.

3 Your family and legacy is protected and secure.

Don't wait, get in touch with one of our financial consultants today, and let us help you protect your family.

Our service is **FREE** to use and easy to implement.
